Application for Pony Camp Screech Owl Farm School at Cedar Hill Farms

To the student: Please tell us about yourself and your riding experience. Why are you excited about Pony Camp? What will you do to help make camp a great experience? (Parents, please transcribe for non-writers.)

To the parent: Please tell us about your child. We want to help create the best experience possible. You might want to describe emotional needs, ability to integrate into a new group, sensitivity to sun, etc. Be sure to include any medical or developmental conditions or information a counselor may need to know.

HELMET SIZE CHART:

20"	= 6.5
20.5"	= 6 5/8
21"	= 6 3/4
21.5"	= 6 7/8
22"	= 7
22.5"	= 7 1/8
23"	= 7 1/4
23.5"	= 7 3/8

To achieve the correct helmet size, place the tape measure around the head just above the eyebrows. Convert the resulting measurement in inches to the sizes listed to the left.
